*From the desk of the pastor...*

One American family was travelling in their motor home through Alaska, when the axle broke and they were stranded in the middle of nowhere so the father left the family in their motor home and began to walk in search of help. To his good luck, he came upon an isolated farmhouse. He knocked on the door and a very friendly farmer responded. When he learned of the man's distress, the farmer just patted him on the shoulder and said he could help him. Without wasting a minute, he got into his tractor, drove out and towed the motor house to his yard. And then, in a very short time, he used his welder and fixed the problem.

The American family were extremely relieved and grateful. Taking out his wallet the father of the family offered to pay, but the farmer would

have none of it. "It was my pleasure" was all he said. "As you can see, I live in isolation and often do not see anybody for weeks and even months. You have given me the pleasure of your company. That is more than adequate compensation."

The American family were greatly impressed. It certainly enhanced their belief in the essential goodness of human beings.

Your words, O Lord are Spirit, and they are Life.

Fr. Luis

## To All Parishioners Our Lady Queen of Peace and St. Aloysius Parishes

My dear Brothers and Sisters, as you know the Province of Ontario recently announced new guidelines which enable churches to open up. However, they have placed many restrictions on how this is to be done to ensure the safety and health of all who attend. Outlined below are the guidelines we will follow for the foreseeable future.

\*Sunday Masses will be conducted at Our Lady Queen of Peace at 9:00 a.m., and St. Aloysius at 11:00 a.m.

\*A Zoom Mass for both parishes will be offered on Saturday at 4:00 p.m., to allow those who cannot attend mass during this time... those most risk because of old age or compromised health..." (Letter of Bp. Daniel Miehm, June 10<sup>th</sup>, 2020). If you're not on the email list please email john.byrne1948@gmail.com)

\*The province has dictated no more than 30% of the church capacity can be occupied at any one time. Parishioners MUST pre-register by 12 noon on the Friday before the Sunday mass.

\*Please use the hand sanitizer at the entrance of the church.

\*All in the assembly are **strongly encouraged** to wear a face mask.

\*Social distancing rules must be followed at all times: six feet or two metres.

\*The offertory baskets will not be passed among the pews but they will be placed at the back to drop your Sunday donations as you enter or exit the church.

Communion will only be given in the hand; maintaining physical distance six feet or two metres from the priest/Eucharistic minister. Please understand, this only temporary.

Washrooms at the church are only to be used for emergencies and will not be cleaned between uses.

The lighters have been removed from the area where votive candles are lit. Holy Water fonts remain empty.

No altar servers.

There will be no singing during mass. (The virus is transmitted through droplets which increase the risk of infection when a congregation is singing in a church.)

For the greeting of Peace: please extend a simple bow of the head towards other parishioners as a sign of peace.

There will be no paper format of the parish bulletin. Please give your email address to the parish office to receive a copy by email.

Wave, nod, thumbs up other parishioners as you enter and exit the church but avoid physical contact or coming within the six feet or two metres physical distance.

It is a requirement that after each of these Masses the church must be thoroughly cleaned. Regular cleaning can only be conducted if there is at least seventy hours between the time the church was last attended and cleaned.

I'm sure many of you might feel frustrated and overwhelmed by all these restrictions. However, they are necessary. If we were ever to have an outbreak of COVID-19 among ANY of our Parishioners who attended a Mass, ALL Masses would be suspended for both Churches. As well, ALL Parishioners who attended mass (and their families) would be required to self isolate for a minimum of fourteen days.

With God's help and patience on our part we will get through this together.

*Father Luis*
