ANNOUNCEMENT FOR BEFORE/AT MASS

Welcome to the celebration of Mass at our parish! We are working to look after each other's safety and good health during these days of the pandemic. It is our hope that working together, we can stop the spread of this virus and join together in prayer safely.

This announcement is a reminder for all of us. It remains critically important for each of us to continue following the health precautions.

This includes:

- staying home when ill, even with mild symptoms;
- practising physical distancing of 2 metres or 6 feet with those outside your household or social circle;
- protecting your social circle;
- wearing a face covering/mask;
- washing your hands frequently and thoroughly; and
- adhering to gathering limits and rules.

The O. Reg 364/20 became law in the Province of Ontario on October 2, 2020.

This law requires that everyone attending the place of worship (church), **must wear a face covering the entire time** that they are indoors – this includes the celebrant, deacon, and liturgical ministers.

If a person has a health concern related to the wearing of the face mask, the law provides for this exemption to be respected.

This time of uncertainty calls each one of us to renew and amplify our Christian commitment to prayer, reflection, prudent care of each other, and helping others.

Let us continue to pray for those who have died, those who are ill, those who work on the front lines and serve our community, and the ongoing work of medical researchers to discover a vaccine and a cure.

May God bless us and guide us

- From the Diocesan Pastoral Center

Please Note: **A Face Shield is not a Face Mask/Covering** because it does not cover the chin. However, in the event of a medical exemption from wearing the face mask/covering, a face shield may provide an alternate option.

Zoom Prayer Group

A parish-wide zoom group has been set up by one of our parishioners for the next several weeks. The group is open to anyone who wants to unite in prayer. The meeting will begin with open discussion where the group will gather prayer intentions. Next, the group will pray the Divine Mercy Chaplet, followed by the Rosary.

Parishioners and friends of both parishes are invited to join every Friday at 3:00 p.m. and may log on early (about 2:50 p.m.) to say hello. To join follow the link below when the time is right:

Attitude of Gratitude Challenge

Week Eight

The gratitude challenge for this week is to think of traditions that you are grateful for. I challenge you to think of five traditions you are grateful for and tell a friend about one of these.

Upcoming: Nov. 1st - Feast of all Saints and Nov. 2nd - All Souls' Day.

9 Days of Prayer for the Dead and the Souls in Purgatory

Being a novena (nine days of prayer), this prayer can be invoked at any time of the year. Ideally, it would be best to commence the novena on **October 24th**. This will allow the novena to coincide with the November 2nd All Souls Day Feast. On these days, Catholics recite prayers in private and at Mass, that honour the dead, while seeking to help free souls from purgatory.

Envelopes for your offerings will be provided for the duration of the nine day novena. The whole month of November will be devoted for all our deceased members of the family, friends, and relatives, and the freeing of souls from purgatory.

REGISTER FOR MASS

We are only permitted to have 30% occupancy during Masses. For St. Aloysius this is forty people – for Our Lady Queen of Peace this is seventy people. We need you to phone or email the office to pre-register for Mass even if you have previously stated that you are coming each week. This will allow us to reserve a seat for you and any guests you may be bringing.

If you do not register for Mass there is a possibility that you may be turned away if the church has already reached its occupancy (occupancy numbers include those present in the church and also those who pre-registered).

I thank you so much for pre-registering for Mass. It's not just to give us an accurate head count of people who are coming to Mass, but it is a key strategy for preventing further spread of COVID-19 (contact tracing).

There is now a minimum \$10,000 fine for breaking social gathering limits.
