Sunday Offertory

OLQP **\$ 1,480.00**

St. Aloysius **\$ 1,000.00**

From the desk of the pastor...

A Professor in English class said to his students, "If you will just take a new word and use it 100 times, it will be yours forever." A young woman in the class looked dreamily out of the window and sighed, "Piolo, Piolo, Piolo..."

Jesus' parables have been told and retold so that His teachings "will be yours forever" but not to look for a partner! One such parable is that of the Sower which is the subject of this 11th Sunday's gospel (Mk 4:26-34).

In the parable, Jesus is the Sower, the Seed, the word of God or His teachings. The soil symbolizes the various types of people who hear and respond to God's word.

The people who received the seed on the *WAYSIDE* refers to those who allow the devil to take the word of God out of their hearts. Those who received the seed on *ROCKY* ground refers to those who welcome it with great joy and enthusiasm. But having no depth, they fizzle out. The *THORNY* soil refers to people who hear the word of God but the cares and worries of the world choke it. Finally, there is the *GOOD* soil. They are those who receive God's word and apply it in day-to-day life, thus bear fruits of good deeds.

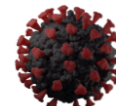

Charlie Pitts owned the construction company that built the Toronto Subway. The more Charlie's business grew, the more his personal and family life suffered. Charlie turned to the Bible for guidance.

This one passage struck him, "What profit is there for one to gain the whole world but suffers the loss of his soul?" (Lk 9:25).

Bothered by the message, Charlie discussed it with his wife and decided to sell his company before it destroyed him.

Charlie bought and managed a hotel and a golf resort. And part of the income from this enterprise was donated to the spread of the Gospel.

God wants us to be the fertile and productive soil.

O God, we praise and thank You for the blessings of life in Canada,
from your natural bounty and from the work of human hands.

We ask you to open our ears to the truths about our collective history
shared with the Truth and Reconciliation Commission by survivors
of residential schools.

We ask you to open our minds to the complex and subtle ways that
past mistakes, arrogance, misuse of authority and sinfulness have
damaged our social fabric in ways we have barely begun to address.

We ask you to open our hearts that we may continue to listen even
when the truth challenges us; that we may understand that we are
heirs to a system that has shown itself capable of domination and
cruelty, whether or not we personally contributed; that we may
commit ourselves in all humanity to do what we can and support the
efforts of others to restore our ruptured social fabric.

Amen
