From the desk of the pastor...

Man is always searching for meaning. He may have all the material things in this world but if he cannot find meaning in them, they are worth nothing. Without meaning, *"you can feel alone in a crowd."*

No wonder many rich people and famous celebrities committed suicide or fell into drugs because of meaninglessness in life. But there are those who have not much but can still survive. I think the words of the philosopher Victor Frankl is true, *"he who has 'why' to live can bear almost any 'how.'"*

Peter did not find meaning in catching fish. He found the real meaning in being with Jesus (by "catching men") No wonder why Peter has the courage to say in today's Gospel, *"Lord to whom shall we go? You have the words of eternal life."*

In fact, how can you find meaning in temporal things if you know that they will not last? Since only the love of God can last until eternity. Therefore, it is in believing in God, and by giving food to the hungry and extending charity to the poor that we can find the ultimate meaning and satisfaction in life. In the words of St. Augustine, *"My heart is restless until it rests in thee."*

Faith is a decision. Any decision takes a risk. And we usually take a risk only for the things that we believe are more valuable. We also believe that the bigger the risk you entered into, the greater the value of the reward you deserve.

Peter sacrificed many things already. He gave up his wife and children, he left behind his boat and nets and followed Christ totally. He decided to stay and continue believing in Jesus.

Christ, indeed, is worth dying for!

- Fr Luis

We pray that God blesses Fr. Luis with peace and happiness on his birthday on August 25th!

We pray that our Heavenly Father will be with you to grant you good health and strength today and every day of your life.

Have a blessed and joyous birthday from
all the parishioners and staff at
St. Aloysius and Our Lady Queen of Peace.

Update to Lockdown Measures

The Ontario provincial government announced that the province will be moving into Step 3 of the Reopening Strategy as of 12:01 a.m., Friday July 16, 2021.

In Step 3, there is no capacity limit for churches and missions. However, physical distancing of 2 metres (6 feet) is still required between parishioners attending Mass who are not from the same household.

There is no need for contact tracing at the services in the church or mission unless there is a funeral. (See the section below for funerals.)

- Currently, face mask use indoors is mandatory for the celebrants and the faithful, even for those who are fully vaccinated.
- Congregational singing is not permitted in Step 3.
- A cantor or small choir may be utilized if singers/musicians are 3 metres from one another and any member of the congregation. Singers/musicians from the same household do not have to distance themselves from one another.
- One altar server or two or more altar servers from the same household are permitted at a Mass. Face masks must be worn, and physical distancing maintained.
- The celebrant's regular practice for greeting parishioners and processing at the beginning and the end of the liturgy may resume with adherence to the health precautions.
