From the Desk of the Pastor...

It is hard to believe that a mustard seed, which appears almost like a tiny speck that can easily be blown away from the hand by the human breath, can grow big and become a nesting place for birds.

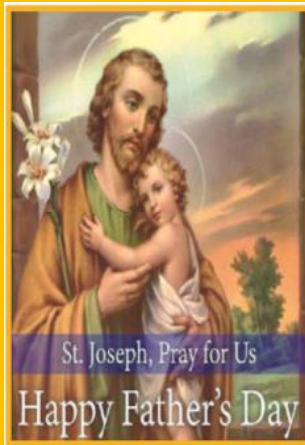

It is hard to believe, too, that a teaching began by an insignificant and underrated man from Nazareth has become a full-blown movement and community that spans all the continents and broke the immense barriers of race, culture and language, the seas and the oceans. When we go by sight alone, there are things that are simply hard to understand, let alone accept.

When it comes to big and small miracles of God wrought through the saints, we live by sight. What you see that defies logic leads you to somehow believe. It is easy to say yes to a higher power when, despite the clear prognosis of those who know better, a person suddenly gets healed and recovers fully his or her health. They do not see the why and the wherefore such miracles happened, but they believe.

In our times, we need to live more by faith. For we live in a faithless world. In this age of technology, where the rule is, if things could be done at all, then they should be done. For in this faithless world, everyone has the right to everything, including the right to die, never mind the wishes of a higher power who is Lord of life and death. Today, I invite you to look deeper into your own hearts. This is where eyesight does not count. In the arena of love and relationships, one does not need so much insight as heartsight. For it is only with the heart that one can see rightly and fully. One can know concepts, but only the heart can evaluate what the mind claims to see.

Today is a call to faith. And by faith we see why the mustard seed grows as it does. By faith, we get to understand why there is suffering and pain. By faith too, we see that suffering and pain are not the end-all and be-all of human existence. By faith, we see and understand, that despite all, there is a God who cares, a God who loves, and a God who makes the seed grow and mature and become, like the Church, a place to gather as one, and become one in God's love. We live by faith, not by sight.

- Fr. Luis

Father's Day Prayer
*Heavenly Father,
 You entrusted Your Son Jesus, the
 Child of Mary, to the care of Joseph,
 an earthly Father. Bless all Fathers
 as they care for their families.
 Give them strength and wisdom,
 tenderness and patience; support
 them in the work they have to do,
 protecting those who look to them,
 as we look to You for love
 and salvation, through Jesus Christ,
 our Rock and Defender,
 in union with the Holy Spirit,
 one God, forever and ever.
 St. Joseph,
 Pray for all of our Fathers.
 Amen.*

Volunteers Needed: At this time a new caretaker needs to be recruited for our parishes. As this may take a few months, Fr. Luis is asking for volunteers - once a week through the summer, to clean the churches. This will include dusting, vacuuming and tidying. There is a sign-up sheet at the back of the church to add your name to the week you can help. If you have questions, please speak to Father Luis or contact the office.

OLOP:

Food Bank - Fire Update: All residents have temporary housing with one couple moving into permanent residence, with setting up help from the community committee. The response from Bobcaygeon has been very generous and with three storage lockers full of furniture in Lindsay and another here in Bobcaygeon full of clothing, linen, and household items we have run out of storage! The main challenge is finding accommodation, but help is being met with gratitude. It is a slow process. Thanks to the Parish Family for their kind support.

**June 2024 Prayer Intentions:
For migrants fleeing their homes**

The Pope's Worldwide Prayer Network has released the list of prayer intentions set by Pope Francis for the year 2024. Each month, Pope Francis asks Catholics around the world to pray for a specific intention.

We pray that migrants fleeing from war or hunger, forced to undertake journeys full of danger and violence, find welcome and new opportunities in the countries that receive them.
