From the desk of the pastor...

The Lenten Season and Ash Wednesday quickly approach. Here are just a few reminders and points of note:

1. The time of Lent was originally established by the Church as a preparation for Baptism which took place during the celebration of the Easter Vigil. Eventually, it became a period of repentance of sin for all the faithful in preparation for Easter.
2. The time of preparation for Easter, at first, lasted three weeks, which corresponded to our 3rd, 4th, and 5th weeks of Lent. Later, two more weeks were added: our present 1st and 2nd weeks of Lent. And much later, four days more were added, pushing back the beginning of Lent to Ash Wednesday as at present. This was done to complete the 40 days of fast since the fasting was interrupted on Sundays.
3. The yearly commemoration of the Passion, Death, and Resurrection of Christ has been observed in the Church since the earliest times. Originally, the commemoration lasted three days: Friday, Saturday, and Sunday. Eventually it was extended to a whole week, what is now called Holy Week, which has its culmination in the "Sacred triduum" – Good Friday, Holy Saturday, and Easter Sunday.
4. For a long time, fast and abstinence were considered as among the best ways of doing penance. They are still useful, but since circumstances in the world have greatly changed, **the Church does not impose them any longer as a command, except on Ash Wednesday and Good Friday.** She invites her children to choose ways of doing penance which are best suited to their own condition.

God Bless,

Fr. Luis

World Day of the Sick

World Day of the Sick is observed on February 11, 2021. World Day of the Sick is an observation introduced by Saint John Paul II in 1992 and this will be the 29th time it is observed.

The day coincides with the commemoration of Our Lady of Lourdes and it is a time to pray for those who are ill and for those who serve in the health ministry.

Pope Francis says that the annual day “is an opportunity to devote special attention to the sick and to those who provide them with assistance and care both in healthcare institutions and within families and communities.” He expresses his spiritual closeness and the Church’s loving concern for those suffering the coronavirus pandemic, especially the poor and the marginalized.

Please read the message from the Pope included with this week’s bulletin.

*Prayer for the
World Day of the Sick*

God of wholeness, of space, time and light,
Your presence peers in all and overall events and
experiences of life,

I come to pray,

For the most vulnerable among us—

the broken in mind, body and spirit.

For them You have come to be most near.

They are among Your chosen ones,

To manifest Your healing and saving powers—

of mercy, patience, and faithful endurance.

As on the Cross,

Through this, our humanity You took on,

In love, for love.

Touch and make holy, their sufferings,

Breathe in them Your Spirit.

Immerse and wash through old cells,

Your precious blood and water.

Hide and make as Your own, their wounds.

Hear them when they cry out, “Jesus, remember me.”

They bend, like bruised reeds, but not broken.

Like the good thief Dismas, not spurned.

For in all, who is like You, O God of compassion?

“Your will be done.”

A new morning is birthed.
