From the Desk of the Pastor...

We have had many kings rule on earth throughout history. So, as we celebrate this Sunday the Solemnity of Christ the King, we might ask the question, what type of King is Jesus? His kingdom and his rule as king defies many expectations. When Jesus was crucified on the cross with the two thieves, he certainly did not look like the king people expected. He was hammered to a cross, not seated on a throne. He was crowned with thorns, not with gold and jewels. To ridicule and mock him, an inscription was placed above his head: "Jesus of Nazareth, King of the Jews." The crowds, the chief priests and the Roman soldiers mocked him rather than pay him homage. The soldiers derided him, telling him that if he truly was a king, he should step off the cross and save himself, showing a type of kingly power that they could comprehend. The Jews thought that Jesus would rule as a king similar to his ancestor King David. They did not expect Jesus to come as a king, would want to serve others and who would suffer a horrible death. Both the Romans and the Jews thought that kingship would be associated with military might and power. Instead, Jesus saw kingship as representing God's truth and proclaiming that the meek would inherit the earth. Jesus tells his apostles that he as the son of man came to serve, not to be served, to give his life for the ransom of many. To be a part of Christ's kingdom, we too are called to be servants, called to give of ourselves to others.

Today more than ever, we should be reminded of the need to accept Christ the King as our Lord, King and Saviour and surrender our lives to Him. We surrender our lives to Jesus every day when we give priority to his teaching in our daily choices, especially in moral decisions. We should not exclude Christ our King from any area of our personal or family lives. In other words, Christ must be in full charge of our lives, and we must give him sovereign power over our bodies, our thoughts, our heart and our free will. We need to be serving disciples of a Servant King. Jesus declared that he came not to be served but to serve and showed us the spirit of service by washing of the feet of his disciples. We become Jesus' followers when we recognize his presence in everyone, especially the poor, the sick, the outcast and the marginalized in society and render humble and loving service to Jesus in each of them. We need to accept Jesus Christ as the King of love. Jesus came to proclaim to all of us the Good News of God's love and salvation, gave us his new commandment of love: "Love one another as I have loved you" (Jn 15:12), and demonstrated that love by dying for us sinners. We accept Jesus as our King of love when we love others as Jesus loved them.

Viva Cristo Rei! Long live Christ the King!

- Fr Erwin
