From the desk of the pastor...

On this Second Sunday of Lent, we are told about the beautiful story of the Transfiguration by St. Mark. It appears on the surface that its purpose is for God to tell them that Jesus is 'my beloved Son' but I think there is more to it.

In the previous chapter in Mark's gospel, Jesus asks his disciples "who do people say that I am?". They replied, "John the Baptist, Elijah or one of the prophets". But when he asks them "who do **YOU** say that I am?" only Peter replies, "You are the Messiah". Peter seems to have it right. But does anyone else get it? Next Jesus tells them that "the Son of Man will be killed", and Peter takes Jesus off to the side and rebukes him regarding the statement about His death, and Jesus scolds Peter by calling him Satan and tells him to get behind him.

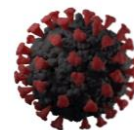

It sounds to me like none of his disciples are understanding both 'who He really is' and 'what is going to happen to him'. Possibly Jesus is even getting tired of trying to explain this to them because they don't seem to be listening to Him.

There are many times in our lives when we are like those disciples, and God is trying to talk to us, but we aren't listening to Him. How busy our lives can get, we say many times that there just isn't enough time for us to do everything we want to do, or it appears, to listen to everything we need to hear. You can't even seem to get away from cell phones, in cars, hospitals, offices, and even churches, people must be talking on a cell phone instead of paying attention to what they should be doing. God is probably yelling at us from the top of His lungs, but we just can't hear Him because we are so plugged in with everything else.

On this Second week of Lent, let's slow down just a little bit to take the time to not only listen to God but think about what He's telling us to do with our lives and act on it.

In Christ,

Fr. Luis

It remains critically important for each of us to continue following the COVID-19 health precautions.

This includes:

- staying home when ill, even with mild symptoms;
- practising physical distancing of 2 metres or 6 feet with those outside your household or social circle;
