From the desk of the pastor...

The young mother, with her little four-year old son, came into the church. She was saying her prayers, while he was running around investigating everything in sight. He pointed to a statue and wanted to know who that was. His mother told him that was Holy God. To another such question the mother said that it was Holy God's mother. Finally, he made his way into the sanctuary, where the light was streaming through the stained-glass windows. He held out both arms, as he moved backward and forwards, fascinated by the colours that were reflected on his hands and clothes. He looked up at the windows, and asked his mother who they were, and she said that they were the saints.

The following day, in playschool, the teacher was telling them about the saints. He got all excited, as he interrupted her to tell her that he knew who they were. When asked who they were, his answer was very simple, and given with great confidence: "They're the ones who let the light shine through".

Today's gospel gives us a glimpse of Jesus' glory, His glorious transfiguration, but it also shows the possibility for every Christian, who is called to reflect the face of Christ to others.

With prayers,

Fr. Luis

A Prayer for Ukraine

God of peace and justice,
we pray for the people of Ukraine today.
We pray for peace and the laying down of weapons.
We pray for all those who fear for tomorrow,
that your Spirit of comfort would draw near to them.
We pray for those with power over war or peace,
for wisdom, discernment and compassion
to guide their decisions.
Above all, we pray for all your precious children, at risk and in fear,
that you would hold and protect them.
We pray in the name of Jesus, the Prince of Peace.
Amen.

Food Bank: We have had an urgent appeal to the Parish Family from the Food Bank for Lenten charity in the form of Toiletries like soap, toothpaste, toothbrushes, deodorant, shampoo etc. As well as paper products including facial tissue, toilet rolls, paper towels etc. and juice boxes for children. Donations can be left at the FB (Lions Hall) on Wednesdays between 9:30 a.m. - 11:30 a.m., as volunteers are on site stocking the shelves. Or simply put in the boxes at our Food Stores. Help is really needed and much appreciated.

Development & Peace: 2022 Share Lent**Madagascar: an ecological village to cope with climate change**

Development and Peace's *People and Planet First* campaign celebrates what solidarity can achieve, even against seemingly impossible odds.

In Madagascar, for instance, Development and Peace's partner, the Development Council of Andohatapenaka (CDA), empowers people to manage and transform their neighbourhoods.

In the capital region, which is afflicted by flooding and poor waste management, CDA has helped the residents of one vulnerable area to turn their environs into a thriving ecological village. Today, each of the 50 households involved in the project has a vegetable garden, a stove and solar panels. This transformation reflects a true ecological conversion.
