From the Desk of the Pastor...

Jesus affirms the negative effects of mundane politics in Christian spirituality. He understands the human temperamental political tendencies as manifested among his disciples in today's Gospel but he does not give up on human nature and proposes a remedy – THE LITTLE CHILD PARADIGM. This is the paradigm of humility that can change the face of politics both within and outside the Church. Humility is accepting one's human/temperamental limitations and depending on Divine grace for growth and integration.

Without humility, there is no Christian maturity. Prayer becomes mundane and selfish. Christian retreats become mere exercise of human sophistry and religiosity. According to Fr Carr, 'To be a Christian, one must be mature. To be mature is to have the ability to put another's need above one's own. It is to be tolerant. It is to realize we live in an imperfect world'. Politics is one unavoidable aspect of human life. We will continue to employ a CHILD LIKE MENTALITY towards politics as Jesus our master has taught us; not having a do or die approach to power/political ambition and being ready to step down for somebody (irrespective of party, religion or tribe) who will do it better than us.

October - The Month of the Rosary

By tradition, the Catholic Church dedicates each month of the year to certain devotion. The month of October is dedicated to the Holy Rosary, one of the best known of all Catholic devotions. October includes the Feast of Our Lady of the Rosary (October 7).

The best way to celebrate the month is, of course, to pray the Rosary.

But why is it that on October 7th the Catholic Church celebrates the Feast of Our Lady of the Rosary? On October 7, 1571, a great victory over the mighty Turkish fleet was won by Catholic naval forces primarily from Spain, Venice, and Genoa under the command of Don Juan of Austria. It was the last battle at sea between "oared" ships, which featured the most powerful navy in the world, a Moslem force with between 12,000 to 15,000 Christian slaves as rowers.

The patchwork team of Catholic ships was powered by the Holy Rosary of the Blessed Virgin Mary. Knowing that the Christian forces were at a distinct material disadvantage, the holy pontiff, St. Pope Pius V called for all of Europe to pray the Rosary for victory.

We know today that the victory was significant, prevented the Islamic invasion of Europe, and evidenced the Hand of God working through Our Lady.

One of three admirals commanding the Catholic forces at Lepanto was Andrea Doria. He carried a small copy of Mexico's Our Lady of Guadalupe into battle. This image is now enshrined in the Church of San Stefano in Aveto, Italy.

At Lepanto, the Victory over the Moslems was won by the faithful praying the Rosary. The Battle of Lepanto was at first celebrated liturgically as "Our Lady of Victory." Later, the feast of October 7th was renamed "Our Lady of the Rosary" and extended throughout the Universal Church by Pope Clement XI in 1716.

And with that we are back to Fatima, Portugal where Our Lady, when asked her name, said: "I am the Lady of the Rosary." At Fatima, Our Lady taught us to pray the Rosary every day.

Heaven presented its peace plan at Fatima and truly gave us hope for the world. Conversions were promised at Fatima: the conversion of sinners; the conversion of Russia.

Our Lady of the Rosary, pray for us!

**September 2024 Prayer Intentions:
FOR THE CRY OF THE EARTH**

The Pope's Worldwide Prayer Network has released the list of prayer intentions set by Pope Francis for the year 2024. Each month, Pope Francis asks Catholics around the world to pray for a specific intention.

We pray that each one of us will hear and take to heart the cry of the Earth and of victims of natural disasters and climactic change, and that all will undertake to personally care for the world in which we live.
